

5 Courses

Matrix Algebra for Engineers

Differential Equations for Engineers

Vector Calculus for Engineers

Numerical Methods for Engineers

**Mathematics for Engineers:
The Capstone Course**

Aug 2, 2022

Mykola Cherednychenko

has successfully completed the online, non-credit Specialization

Mathematics for Engineers

This specialization was developed for engineering students to self-study the usually required post-Calculus mathematics.

Jeffrey R. Chasnov
Professor
Department of
Mathematics

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
